Adopt-A-Road Program

The Keep Haralson Beautiful Adopt-A-Road/Place program is modeled after the Georgia Department of Transportation's Adopt-A-Highway program. The Adopt-A-Road/Place program consists of individuals, groups, organizations and businesses who volunteer at least 4 times a year to clean litter from the sides of roads and public places. This is a volunteer based program; therefore, there are no fees or charges to the participants. However, any entity (person or business/organization) which wishes to sponsor/adopt a road or place, must be a dues paying member of Keep Haralson Beautiful.

If you are interested in adopting a road, please visit our website: www.KeepHaralsonBeautiful.org for details or call 678-378-3795

To date, we have 1 business and 1 organization participating. Please consider adopting a road and becoming a member.

Litter Equipment Loan Program

To help you keep Haralson beautiful, we have litter pickup equipment that you can borrow! Organize your own clean up events and use our equipment to do it. Visit our website for details

Event Recycling Container Program

Our Keep Haralson Beautiful Event Recycling program's purpose is to provide tools for litter control and to help make it easy to recycle at your events. You can request Recycling Containers for your event by visiting our website and filling out the online form. Download, sign and bring this form to pick up borrowed containers.

Vehicle Recycling Program

Keep Haralson Beautiful has recognized the need to eliminate abandoned vehicles in our County. Most citizens do not have the means to address this problem. We are pleased to offer a solution. We have partnered with a local recycling company to assist you with removal of these vehicles from your property. This service is offered at absolutely no cost to you. Why not donate your vehicle to Keep Haralson Beautiful, you will be supporting the local Litter Campaign and you will receive \$50 per vehicle donated.

We will work with the recycling company to follow-up on your request to have the vehicle removed from your property. If you are interested in our vehicle recycling program, please contact Ann Crim at 678-378-3795 or email keepharalsonbeautiful@gmail.com Visit our website for further details www.KeepHaralsonBeautiful.org

To date, we have recycled 7 vehicles totaling approximately \$1,000 donated from this recycling program.
